DHR Approved Clinical Evaluations:

If you require a DHR Approved Clinical Evaluation in the state of Georgia, you will first have to complete the DUI School and have them fax to me the following information:

- Your NEEDS Assessment results (approximately 6-7 pages). **Please note that you can not bring this information with you, it has to be faxed directly to me from the DUI School.** You will probably have to go to the DUI School and sign a release.
- Paperwork from the DUI Schools can be faxed to **404/250-6261**. My **DHR Clinical Evaluator number is 38400**. Please call me to make an appointment once your paperwork has been faxed.
- If for some reason you do not have all the paperwork ready, we can still meet for an evaluation, however, I will not be able to complete the evaluation and/or recommendations until I have all the paperwork needed.

Please bring with you the following information:

1. Your letter of completion (from the DUI School).
2. You will also need to bring a copy of your ten (10) year driving history/record. You can get this from the DMV. You can go to www.dds.ga.gov

We can then schedule an appointment to meet for approximately 1-2 hours to complete the evaluation.

Note: Please let me know if you have completed any substance abuse counseling prior to your evaluation.

Fees:

- Fees for DHR Approved Clinical Evaluations range from \$150-\$200.
- Payment is expected at the time services are rendered and I accept payment by cash, all major credit cards and debit cards (no personal checks please).

The DHR website for the DUI Intervention Program is www.garrp.dhr.state.ga.us
